Indus College of Nursing & Midwifery

BSN 4-yr program

MEDICAL ENGLISH PROGRAM *for NURSES*

In collaboration with AukSunLMS

The Indus College of Nursing & Midwifery offers a structured training program for medical education that is recognized by the College of Physicians & Surgeons, Pakistan (CPSP).

The Medical English Program is a **blended learning program** of classroom sessions and online tutorials. It is designed for nurses, paramedics, and hospital staff to gain command over spoken English. It's a combination of daily English usage and specialized vocabulary used in the health profession.

Nurses can now speak fluently in English

Join a team of Nurses, fluent in English! We will support you all along. We have classroom lectures, online video demonstrations, assignments, and projects for you.
